

EVO C

June 10th & 11th, 2006

8:00 am to 5:00 pm

Roanoke Regional Fire/EMS Training Center

To Register Call:

561-8070

Registration Deadline is: June 5,2006 5:00 pm

Class is Limited to 15 students

This is a REQUIRED course to drive emergency vehicles in Roanoke County.

The class will teach students proper procedures for operating emergency vehicles. Each organization in attendance may be asked to furnish at least one emergency vehicle to be used in practical session of the class. Each person will be required to drive the type of vehicle in which he/she will be certified (ambulances, pumpers, or both). Personnel must be 21 years old and would prefer you have at least 10 hours of driving time on vehicle (s) that certification is being sought. Roanoke County personnel must have provided a current copy of a driving record and been cleared to operate County equipment by the Volunteer Coordinator prior to class date. All personnel attending must show a valid driver's license at start of class. This class will cover those vehicles listed as level 3 and below. Personnel outside of Roanoke County will be required to purchase the textbooks at a total cost of \$3.50 per student and will have to provide vehicles for the driving portion of class. Student must attend all training sessions.

Brought to you by the Roanoke County Training Division
